Proposed Elkins Trail Plan Updates for 2022:

1. Side-Path Trail Along AR Highway 16. *This would be added when AR Hwy 16 is 4-laned
2. Connector from Behind Meadowbrook Dr across behind Fox Trail Dr to connect to Stokenbury Rd
3. Upgrade Stokenbury Rd from AR-16 to curve from Shoulder Bike Lane to Side-Path Trail
4. New Connector Shared Use Paved Trail following property lines from Stokenbury to connect to Riverview, Oakleaf Manor, and Shoffner Loop
5. Reroute school connectors to main entrances
6. Side-Path from Bunch Park along First St to Sulphur City Rd
7. New Connector Shared Use Paved Trail from Sulphur City Rd to Alexandria Loop
